ROUND AND ROUND

Round and around and around we go
Oh so slow around we go
Round and around and around we go
'Til the music stops

Hold it up high and down so low
Hold it high and down so low
Hold it up high and down so low
'Til the music stops

Back and forth and back we go,
back and forth back and forth
Back and forth and back we go,
'Til the music stops

Sway like a tree left to right
Left to right Left to right
Sway like a tree left to right
'Til the music stops

Wobble like Jelly wobble
Just like Jelly wobble
Wobble like jelly wobble
'Til the music stops

Round and around and around we go
Oh so slow around we go
Round and around and around we go
'Til the music stops

We are going driving, driving in our car today
buckle up your seatbelts, before we drive away
Driving, driving, driving in our car x 2

Going round the corner, swaying side-to-side
Going round the corner, what a bumpy ride
Up and down, up and down...beep, beep

Here come the traffic lights, slow down for the orange light
Stop for the red light, go for the green
Driving, driving in our car
Driving, driving, now it's time to stop
